

Report to the Kentucky Library Association Board
President
November 12, 2011
Louisville, Kentucky

I attended the State Advisory Council on Libraries Meeting held at the KDLA offices on October 21, 2011. I attended the Kentucky School Media Association's Board Meeting at the fall conference on October 1, 2011, and will be attending their next board meeting directly after the conference planning meeting on November 12, 2011. I will also be attending ALA Midwinter in Dallas, Texas, January 20-24, 2012 with President-Elect, Lisa Rice.

I have completed and submitted my first columns for Kentucky Libraries and In-Fo-Cus.

I have filled all committee chair assignments and made at-large appointments. The sections are currently completing appointments for the KLA committees, and will be sending those to me. Once all committees are filled, the chairs will be notified of their committee composition and committee work will begin.

Respectfully submitted,

Terry Buckner
President
