

Report to the Kentucky Library Association Board
President-Elect
Louisville, Kentucky
September 19, 2012

I attended the ALA Annual Conference in Anaheim, CA. The Chapter Relations Committee continues to explore avenues to partner for purchases. The committee discussed the need for the chapters and the committee to support school library funding.

The 2012 KLA/KSMA Joint Conference planning has been completed! Thanks to Emily Krug for getting the KLA Facebook page and conference Twitter account put together.

I have been working on committee chair appointments for the coming year.

Respectfully submitted,

Lisa R. Rice
President-Elect
