

KLA PRESIDENT
ANNUAL REPORT TO THE BOARD
September 15, 2010

I submitted the President's Page for the Fall 2009, Winter, Spring and Summer 2010 editions of *IN-FOCUS* and *Kentucky Libraries*.

I represented Kentucky Library Association at the State Advisory Council on Libraries at the Kentucky Department of Library and Archives on November 6, 2009, March 5, July 15, and September 10, 2010.

KLA submitted Kentucky's Resolution for Reauthorization of the USA PATRIOT Act to ALA then coalition letters were mailed to our U.S. Congressional Delegations.

Letters on behalf of KLA were written for KDLA and KYVL about the budget cuts. A letter was also written to Dean O'Hair and Director Huber of the University of Kentucky College of Communications and Information Sciences on behalf of KLA about the elimination of the library media program.

KLA delegates representing Academic, Public, School and Special libraries, met with our U.S. Legislators and/or aides in Washington, D.C. on May 5, 2010.

I attended both ALA Midwinter and Annual Conferences during January and June 2010. I represented Kentucky by attending the Chapter Relations meetings. During the Annual conference I volunteered time in the advocacy booth during the conference and was one of many who represented KY on "the hill" June 29th for ALA National Advocacy Day on Capitol Hill.

Respectfully submitted,

Emmalee Hill Hoover, President
2009-2010
