Report to the Kentucky Library Association Board

November 20, 2010

Hilton Garden Inn Northeast, Louisville

The biggest news from the Listserv Managers is the birth of Sara's son, Josiah! Congratulations to Sara and family!

The list for the KLA Board list as well as the Planning Committee list has been updated to reflect changes in the board. Please report any changes/corrections that still need to be made to Terri at terri.brown@uky.edu.
