

KLA Past President
Report to the Board
June 13, 2009

Since my last meeting, I have met via conference call and communicated via email with the Genealogy & Local History Round Table and offered assistance to all Round Tables.

I have also met with members of the Nominating Subcommittee of the Strategic Planning & Organization Committee. As Past-President, one of my duties is to chair this committee. The other members of this committee are Bryan Carson and Jan Berry. Our task was to develop and present a slate of qualified candidates to run for KLA President-Elect and Secretary. For 2010, the President-Elect was selected from Special Section and the Secretary was selected from the Academic Section.

The slate will be announced in the summer issue of IN-FOC-US.

Respectfully submitted,

Fannie M. Cox
