**KENTUCKY LIBRARY ASSOCIATION BOARD MEETING
JUNE 13, 2009**

SOUTHEASTERN LIBRARY ASSOCIATION (SELA)

The Southeastern Library Association rescheduled the April conference call due to technical difficulties. SELA is considering offering a preconference at the Georgia Library Association Conference in October to increase visibility and offer additional networking opportunities. A resolution was passed honoring Judith Krug for her work with the Office of Intellectual Freedom and as the Director of the Freedom to Read Foundation. She was also made an honorary SELA member.
