

## **IN-FO-CUS Report**

20 November 2010

The October/November/December 2010 is available on the KLA website.

I did use the notes sent to the board to include some information about round tables, divisions or committee work.

The deadline for the January/February/March 2011 issue is December 20. I hope to work on it that week and send it to Patrick by the 29<sup>th</sup> to be uploaded to the website.

I will be working with Ashley and Leoma to redesign the newsletter.
