**KLA President-Elect
Report to the Board
June 7, 2008**

I attended the Kentucky Public Library Association Meeting April 16-April 18 in Bowling Green. Kristi Tucker, KPLA Chair-elect, and her committee put together an excellent conference program.

I have spent most of the time since the last meeting trying to get the Spectrum of the Future Conference Program ready for the printer. We are not quite there yet but it is coming together.

The only completely new addition to the program since the last board meeting is the addition of a pre-conference on Conflict Resolution. Reinetta Jones has coordinated this with SOLINET. The presenter will be Ed Klee. We are still waiting on final information on two pre-conferences.

I met with Tom and Kim, from the association office, on April 29 to discuss conference logistics.

I have submitted conference program updates weekly to the Web Manager.

I will be attending the ALA Annual Conference June 26 - July 1 in Anaheim.

.

Respectfully submitted,
