

**KLA PAST PRESIDENT
REPORT TO THE BOARD
November 20, 2010**

I completed my duties as KLA President since the final President Board report by attending the KLA/KSMA Annual Conference, presiding at the KLA Award Luncheon and the Annual Meeting. The Executive Board and I made sure that our ALA honored guests of President Roberta Stevens and Intellectual Freedom Director Barbara Jones had a fulfilling and delightful visit to Kentucky. ALA President Roberta Stevens even wrote about her experiences in the *American Libraries* online version. I also attended the Old Louisville Ghost walk, Author Luncheon and KSMA Luncheon.

I have contacted the chairs of all the KLA Round Tables informing them that I serve as coordinator and advisor to the Round Tables. At this time the only Round Table that does not have leadership is the Library Support Staff. I plan to contact members of the Library Support Staff Round Table to solicit leadership. I will also place information in the next IN-FO-CUS, too.

I attended the Executive Board Meeting in Louisville on Friday, November 19, 2010.

I have updated the PowerPoint for the Leadership Orientation to take place prior to the November 20th board meeting.

Respectfully submitted

Emmalee Hoover, Past President
2010-2011
