

**Web Redesign Committee (Ad Hoc)
Report to the Board
Louisville, Kentucky
June 4, 2011**

KLA President Leoma Dunn, Tom Underwood, and two members of the committee met with the site's current designer, Rick Hogue, April 18 to discuss redesign possibilities. Potential features were discussed as well as an estimated cost and a timeline for redesign.

Following the meeting, the proposed navigational structure was sent to the committee for review. The final version was approved by the executive board then forwarded to the designer, who is currently working to create a home page mock-up to be approved before the site transition is begun.

The updated site will be patterned after Minnesota State Library's site (www.mnlibraryassociatio.org), with estimated cost for changes not to exceed \$1,200.

Many thanks to the executive board and the following committee members for their input:

- Nicole Frilling nicole.frilling@kentonlibraryorg
- Alex Grigg agrigg@lexmark.com
- Betsy Hughes Betsy.Hughes@ky.gov
- Alex Love alexl@warrenpl.org

Respectfully submitted,
Ashley Fowlkes
