

KLA Ad Hoc Committee on Conference Partnerships

Report to the Board

November 15, 2008

Since our annual fall conference, we have recruited a new member. **Lisa Rice** graciously agreed to serve as the Public rep, so that all types of libraries are now represented on the committee.

Other committee members are:

Bryan Carson (Academic rep)

Leoma Dunn (Special rep)

Linda Perkins (KSMA rep)

We are currently gathering information on any potential groups for future conference partners, and welcome any suggestions, comments or advice from our Board members.

Respectfully submitted,

Laura Davison, Chair

Ad Hoc Committee on Conference Partnerships
