

KLA Ad Hoc Committee on Conference Partnerships

Annual Report to the Board

September 30, 2009

Committee members are:

Bryan Carson (Academic rep)

Leoma Dunn (Special rep)

Linda Perkins (KSMA rep)

Lisa Rice (Public rep)

The committee has had a few email conversations throughout the year and we continue to gather information on any potential groups for future conference partners. Lisa Rice has agreed to talk with the Kentucky Reading Association about the possibility of offering a joint conference in the future. That is the group that keeps coming up in suggestions as a potential conference partner since many of their members also attend KLA, and both groups share many common interests.

Respectfully submitted,

Laura Davison, Chair

Ad Hoc Committee on Conference Partnerships
