

KLA Ad Hoc Committee on Conference Partnerships

Report to the Board

June 7, 2008

As discussed at the last Board Meeting, I've been asked to chair the Ad Hoc Committee on Conference Partnerships. My committee members so far are **Linda Perkins** (KSMA) and **Bryan Carson** (ALS); I'm currently recruiting someone to represent Public Libraries on the committee.

The Committee charge from President **Fannie Cox** is as follows:

Ad Hoc Committee on Conference Partnerships

- 1) To investigate whether it would be beneficial for KLA to seek additional conference partner(s) such as other educational and/or library related organizations to become a KLA Annual Conference Partner (i.e. Kentucky Reading Association, etc.);
- 2) To determine the pros and cons of such a partnership;
- 3) To recommend ideal partner(s) and why?
- 4) Make recommendations to the Board
- 5) If necessary, recommend changes to the KLA "Blue Book" if the ad hoc committee finds it necessary to implement

Respectfully submitted,

Laura Davison
