

## **A-9 IN-FOC-US**

KLA Board Report

Annual Report

October 1, 2008

Marriott Downtown -- Louisville, KY

This past year has marked some significant changes for IN-FOC-US:

- In 2008, Ruthie Maslin came on board as editor, replacing who had served in that position for several years.
- 2008 also marked the move from paper to virtual editions of the newsletter. All future editions of IN-FOC-US will be available through the KLA website. This will save money for the organization, allow the addition of pictures and links, and allow for more frequent updates throughout the year.

Please submit news and/or ideas to [Rmaslin@lexpublib.org](mailto:Rmaslin@lexpublib.org) .

Respectfully submitted,

Ruthie Maslin, Editor
