

A-9 IN-FOC-US

KLA Board Report

June 7, 2008

Marriott Downtown -- Louisville, KY

The Summer edition of IN-FOC-US will be posted to the website and sent to the printer the second week of June. Please note: this will be the last print edition of the newsletter. Following this issue, all editions will be made available to members electronically. This will save money for the association and make the publication a much more nimble – and hopefully more useful -- communications tool. We will be able to use more graphic elements, links, and even include more information, since we are not subjected to cost constraints of printing and mailing.

This will also be the scheduled last edition before December. One idea I would like to discuss at the meeting on Saturday is the possibility of doing 4 issues per year instead of 3. Up till now, the 4th issue has been the annual conference program. However, since the newsletter will now be entirely online, there are minimal (if any) budgetary impacts from doing a regular 4th issue. We don't have to take action on this – I just want to see what you all think about the idea.

We received many submissions for this issue – thanks to all of you who submitted.

Please submit news and/or ideas to Rmaslin@lexpublib.org .

Respectfully submitted,

Ruthie Maslin, Editor
