

Report to the Kentucky Library Association Board
Library Administration & Management Round Table

March 29, 2008

Crowne Plaza Hotel, Lexington KY

The Round Table officers have been conducting the business of the Round Table by email. The following projects have been completed or are in the process:

- **Updating Listserv:** James Manasco, Chair Elect, completed this after receiving the updated membership list from the Association Office.
- **Survey of Members:** Members were surveyed via email to see what types of services and programs would be helpful. Response was minimal.
- **Contacting Lapsed Round Table Members:** Secretary, Martha White, contacted former LAMRT Round Table Members. The intent was to see why memberships had lapsed and to encourage former members to rejoin the Round Table. Below are the responses:
 - Too Busy to Be Involved: 3
 - Dropped All KLA Round Tables and Moved on to Other Activities: 1
 - Unaware that Membership had not Been Renewed: 3
 - No Response to Email: 7

LAMRT does not plan to meet at the Joint Spring Conference since all membership is not represented at this conference.

Respectfully Submitted;

Terry Buckner
LAMRT Chair
