

Report to the KLA Board

June 7, 2008

Louisville, Kentucky

We had a great Legislative Day. Upcoming elections really made a difference in our access to the Legislators this year. I want to thank the Sections for sending representatives. We had a record number of delegates, 14 representing ALL types of libraries.

I have been working with ALA to procure advertising space in Annual Conference materials. Most likely our advertisement will appear in editions of CogNotes, the daily newspaper of the Annual Conference.

I submitted an article for IN-FO-CUS. I have attached it with this report.

I continue to look for ways to promote libraries and more importantly, librarians. Please let me know of any accomplishment or recognition you or others attain.
