**KENTUCKY LIBRARY ASSOCIATION BOARD MEETING  
LOUISVILLE MARRIOTT DOWNTOWN, LOUISVILLE, KY  
JUNE 7, 2008  
SCHOLARSHIP FOR MINORITY STUDENTS  
REPORT**

The scholarship committee continues to make progress in all aspects of committee's mission.

During this quarter:

A challenge was issued to the KLA Board for donations to the Scholarship; thus far four individuals have responded to the challenge and \$400 has been pledged.

A meeting was held with Tom Underwood to compose wording for the electronic membership application form as well as the paper form. The forms will now include a check-off option for contributing to the Scholarship.

Contacted the Editor of Kentucky Libraries to have the Scholarship Standing Committee information added to the inside back cover for future issues.

Met with a representative of the UK Library School and a UKSLIS Alum in an effort to help uncover possible candidates for our scholarship. Through our discussion we identified a possible applicant. I contacted this potential applicant who responded positively but we have not yet received an application.
