**KLA Board Report  
Youth Services Round Table Report  
March 5, 2011**

As chairman, I sent out a holiday welcome letter to the current membership.

I also have developed a resource sharing sheet for sharing book recommendations, display ideas, program planning books, and websites that are helpful. I have been trying to send out monthly.

In speaking with the membership and fellow youth librarians through KYAC

I have asked for mini session proposals for the Fall 2011 conference in September and have received confirmation of four proposals that have been submitted for the boards consideration.

I have also worked with Terri Brown to have a listserv developed for the Youth Services Round Table.

Respectfully submitted,

Stephanie Wycihowski  
Youth Services Round Table Chair
