**Report to the Kentucky Library Association Board
Library Support Staff Round Table
September 30, 2009
Louisville, KY**

The LSSRT created a new Facebook group to promote networking among library staff members statewide. The group is called 'KLA Library Support Staff Round Table' and is open for membership. As of 9/29/09, there are 14 members in this group.

After the KLA member list for our round table was acquired, a mass e-mail notice was sent to the individual members to announce our new blog and to invite participation. Need for officer level participation was also expressed and an all call was placed on the blog to solicit potential future officers.

Jennifer Mattern was hired to a professional level job and decided to let her co-chair position elapse with the end of the term instead of taking the chair position. At the end of this term, the round table will have no officers to take the helm.

Business meeting is still scheduled for the upcoming Fall KLA Conference in Louisville on Friday, October 2nd, 2009. Any attendees can be a potential source for new officers as we discuss the year's past activities, plus possible future plans.

Also scheduled for this conference is a session on Friday, October 2nd from 1:00-1:50PM, sponsored in conjunction with the Resource Sharing Round Table entitled: Mission (Almost) Impossible: Effective Management of Busy Circulation Departments.

Respectfully submitted,
Cheri Daniels
Chair - Library Support Staff Round Table
