**Report to the Kentucky Library Association Board  
Library Support Staff Round Table  
June 13, 2009  
Louisville, KY**

The Library Support Staff Round Table attempted to increase the participation and visibility of the new Librarius blog by sending out snail mail notices to the statewide public libraries in the hopes of reaching the support staff that may not be on electronic listservs associated with KLA. This resulted in our visitor count going up to 76, plus increasing our “followers” by one. We plan to follow this mailer with an individual e-mail campaign to reach even more followers in the next month.

Also completed this quarter was the scheduling of a business meeting during the upcoming Fall KLA Conference in Louisville on Friday, October 2<sup>nd</sup>, 2009.

Also scheduled for this conference is a session on Friday, October 2<sup>nd</sup> from 1:00-1:50PM, sponsored in conjunction with the Resource Sharing Round Table entitled: Mission (Almost) Impossible: Effective Management of Busy Circulation Departments.

Respectfully submitted,  
Cheri Daniels  
Chair - Library Support Staff Round Table
