

KLA Youth Services Round Table

Report to the Board

Louisville, Kentucky

June 4, 2011

I have worked with Terri Brown to set up a Youth Services list serv which is set up now. I have also have been notified that 3 of 4 proposals submitted by Youth Librarians for the September Conference have been accepted. I also have sent an email to the Youth Services Roundtable Membership through the new list serv to see if a meeting of the Youth Services round table at fall conference is feasible. I have also sent an electronic copy of our membership form for KLA to Roxanne Spencer on Western's Campus to see if we can gain more members from Western promoting it. She said she would promote it with her students.

Respectfully submitted,

Stephanie Wycihowski
Chair
