Kentucky Library Association
Board Report, June 4, 2011

No activity has occurred. The March 2011 Report Next Steps are still valid.

Next Steps:

1. Formalize a survey for AALLERT members to ensure that all voices are heard.
2. Review the purpose and work (with an emphasis on work) of the RMD and the Minority Scholarship Committees to see if those existing committees can incorporate the work of AALLERT in a way that meets stakeholder concerns.
3. Make final recommendations regarding any organizational changes for AALLERT to make sure the work continues in a viable and supported manner.

Respectfully Submitted, Constance Ard Chair
