

Resource Sharing Round Table (RSRT)

Report to the Kentucky Library Association Board

November 20, 2010

Hilton Garden Inn Northeast, Louisville

- On October 29, 2010, the RSRT chair participated in a meeting between staff at KYVL and the CEO of Professional Business Couriers (PBC) regarding a “status check” of the new state-wide courier service contract, including issues with delivery schedules, communication, and other topics.
- RSRT goals for the year include:
 - Promote an increase in membership (currently there are 11 members) and solicit new Round Table leadership
 - Update and distribute a statewide directory of resource sharing library staff
 - Complete work on the “KYShares” wiki, a clearinghouse for information on statewide circulation and interlibrary loan services
