Roundtable activities:

March-May 2011

Officers continued planning efforts for the LIRT-sponsored full session at the 2011 KLA/KSMA Fall Conference. As noted in the March LIRT report, Russell Carpenter and Trena Napier of Eastern Kentucky University will present "Collaborative Learning in an Integrated Space: Research and Multimodal Communication for the 21st Century." The presentation will take place from 10:10 a.m. to 12:00 p.m. on Thursday, September 29, 2011. The LIRT Chair submitted documentation for the session to Terry Buckner in late May.

After the full schedule for the conference has been finalized, the officers will develop materials/strategies for advertising the LIRT business meeting during the conference.

The Chair-Elect will attend the KLA Board meeting on June 4, 2011.

Respectfully submitted,

Robert Detmering
