

**Report to the Kentucky Library Association (KLA) Board
Resource Sharing Round Table
Annual Report 2011**

The Resource Sharing Round Table is scheduled to meet at the 2011 KLA Annual Conference on Friday, September 30, 2011. Nominees are still needed for the positions of chair, chair-elect and secretary.

Participation on the Round Table's Facebook group, "Access Services in Kentucky Libraries" has dropped off since its creation last year. Membership in the Round Table remains small, and involvement is sporadic. However, it is hoped that the group can be revitalized, preferably with leadership directly involved in circulation, document delivery, and interlibrary loan services in Kentucky.

On a positive note, the Round Table completed work on "KYShares," a wiki geared toward helping Kentucky libraries find and use services, software and contacts for borrowing and lending materials through statewide circulation, interlibrary loan partners and statewide consortia. KYShares is located at <http://www.kyvl.org/resourcesharing/>.

Respectfully submitted,

Jennifer A. Bartlett
Chair, Resource Sharing Round Table, 2010-11
