

Report #32
Resource Sharing Round Table

Annual Report to the KLA Board
October, 2008
Louisville, KY

During the past year the Resource Sharing Round Table has developed an internet discussion forum for issues of mutual concern to its members. The discussion forum is called Sickos: For Resource Sharing Library Professionals Across Kentucky (<http://kentuckysickos.ning.com/>). We have announced this forum on various listserves used by librarians across the state. The site contains a contact list for interlibrary loan and circulation librarians at academic institutions in Kentucky.

Our officers for the past year have been:

Jim Witham, Chair
Jen Bartlett, Chair-elect

Respectfully Submitted,

Jim Witham
