

Report #33

Report to the Kentucky Library Association Board

Resource Sharing Round Table

June 7, 2008

Louisville, Kentucky

The Resource Sharing Round Table has been developing an online forum for resource and circulation librarians throughout the state, called "Sickos" (<http://kentucksickos.ning.com/>) This forum will serve as a means for resource sharing and circulation librarians to discuss issues of mutual concern. Jen Bartlett, chair-elect of this round table, has contributed a list of people in KY academic libraries responsible for circulation and ILL to the forum. As the forum becomes better known, we look forward to adding new members and sharing more information with one another.

Respectfully submitted,

Jim Witham, Chair, Resource Sharing Round Table.
