

**KSMA Report  
KLA Board Meeting Report  
March 7, 2009**

Since the November KLA board meeting KSMA has had 2 board meetings. The first meeting was in November at Madison Southern High School in Berea and the Second was held on February 28 in Lexington in conjunction with the McConnell Conference.

Members for the various KLA committees were secured and names passed on to the KLA President.

Plans are under way for the KSMA Summer Refresher on July 21<sup>st</sup> at Royal Spring Middle School in Georgetown. We are also soliciting proposal for presenters. If you are willing to present please let me know. Also, if there is interest from the KLA board on attending, I would be glad to post the registration information on the KLA list serve as well.

Planning is also underway for our portion of the KLA/KSMA joint conference in September and October.

President-elect Melissa Gardner and I are making plans to attend as many of the KSMA district meetings as possible. We will be bringing greetings from KSMA and KLA and encouraging membership and attendance at the fall conference.

Respectfully submitted,

*Fred Tilsley*  
KSMA President
