

**KSMA Report  
KLA Board Meeting Report  
June 13, 2009**

**The KSMA board had not met since the March KLA board meeting.**

**Plans are being finalized for the KSMA Summer Refresher at Royal Spring Middle School in Georgetown. We utilized an on-line registration service for the conference that worked extremely well. Attendees were able to select the sessions that they wanted to attend.**

**KSMA has also finalized their part of the joint conference for the fall.**

**President-elect Melissa Gardner and I are attended numerous KSMA district meetings. We brought greetings from KSMA and KLA and encouraging membership and attendance at both the summer refresher and the fall conference.**

**Respectfully submitted,**

*Fred Tilsley*
