

ST-2: Communications Committee Report  
KLA Annual Conference, Fall 2009 – Annual Report

Year In Review

- IN-FO-CUS resumed a regular publications schedule this summer with the appointment of new editor, Carrie Herrman from Boone County Public Library. Kudos to Carrie for moving efficiently forward.
- The publication of Kentucky Libraries continued on schedule, despite a number of unexpected weather-related crises. Many thanks to the publications staff and editorial board for their diligence in getting these issues out in a timely manner.
- KLA's web site experienced a number of technical problems this year due to virus issues. As a result, the site was ultimately flagged by Google in June. While the matter seemed to take considerable time to rectify, the site was cleared in time to allow members access to conference registration and related documents.

Respectfully submitted,

Ashley Fowlkes  
Assistant Director, WCPL  
Communications Committee Chair  
2008-2009
