

LIBRARY AWARENESS COMMITTEE
KLA BOARD REPORT
MARCH 5, 2011

I wrote a Spotlight article on J.C. Morgan for Kentucky Libraries.

I promoted Kentucky Libraries Legislative Day by sending out information and reminders on the KLA list serve.

I have passed on information from the ALA Advocacy Office to the KLA List Serve.

License Plate Update

As of February 23, 2011 Linda Kompanik has received 193 applications and checks totaling \$4,825. Friends of Kentucky Libraries gave \$400.

We need \$22,500 (900 applications X \$25 each).

Linda is preparing a KLA press release for the Board to approve that would encourage the general public to join in with us.

I took part in the webinar “New Ideas for Connecting with 112th Congress Legislators: New Messages, Traditional Tactics” sponsored by the ALA Washington office on 2/23/2011.

Respectfully submitted,
