

LIBRARY AWARENESS COMMITTEE
KLA BOARD REPORT
11-20-10

I compiled a list of all award winners for 2010 to include in In-Focus. I am attaching to this report.

I have contacted ALA to get put on appropriate list serves so that I can share advocacy issues with KLA members.

Library Awareness will continue to write the Spotlight column for *Kentucky Libraries*.

Linda Kompanik has volunteered to continue coordinating the Kentucky Libraries License Plate. If you haven't done so already please send in your request. She also has requested that each section donate some money toward the initial cost.
