

**Minority Scholarship
Report to the Kentucky Library Association Board
November 15, 2008**

The two 2008 scholarship recipients, Victor Darrigrandi and Karen Morrison, were introduced at the KLA Awards luncheon on Thursday, October 2 by then committee chair Christie Robinson.

As mentioned in the Committee Report dated October 1, 2008, the committee recommends that the KLA Board dedicates an annual amount of \$1,000 for the Minority Scholarship. Some believe that this is already the case but we seek confirmation that the Board has made this commitment.

The committee also recommends that a line item annual amount be added to the budget to cover the committee's operating expenses.

KLA President Debra Oberhausen has appointed Elliot Appelbaum to succeed Christie Robinson as Committee Chair.

Respectfully submitted,

Elliot Appelbaum, Chair
