

KLA Minority Scholarship Committee

Report to the Kentucky Library Association Board

June 13, 2009

The Minority Scholarship Committee reviewed the existing scholarship application and made some minor changes, including adding a statement about the selection process so applicants will understand what factors will be considered by the Committee in choosing the scholarship recipient:

SELECTION PROCESS

Scholarship committee members will consider: 1) Cumulative undergraduate GPA and graduate school GPA (if applicable) and accomplishments; 2) academic merit and potential; 3) statement of objectives, in terms of content and style; and 4) letters of recommendation.

Announcements about the availability and deadline for the 2009 scholarship were sent to several KLA discussion lists as well as the ALA Kentucky student chapter and the Kentucky Special Libraries Association.

Respectfully submitted,

Elliot Appelbaum

Chair
