

KENTUCKY LIBRARY ASSOCIATION  
Board Meeting Report  
Fundraising Committee  
June 13, 2009

The three active members of the Fundraising Committee are researching links on other state library association sites for affiliate organizations. We want to compile a list of potentially compatible businesses and/or organizations to link to our home page.

We will also be very happy to follow-up on suggested partners from the KLA membership. In these tough economic times, this is a win-win for both our organization and the advertisers.

At present, we have not been able to contact the School Media Section representative via email. The committee is also lacking an academic section representative.

Respectfully submitted,

Judith Gibbons  
Chair
