Recruitment, Mentoring and Diversity Committee

KLA Quarterly Report – March 5, 2011

The current membership of the Recruitment, Mentoring and Diversity Committee is:

Terri Kirk – ALA Councilor

Constance Ard – AALLERT Chair

Angie Hawkins – KSMA Representative

Becky Watson – Public Representative

We would like to have a complete working committee by April 1.

I will be representing the committee at the March 5 conference planning meeting. Currently, there are plans to have a welcome “dutch treat” dinner at the conference on Wednesday and a welcome “dutch treat” breakfast on Friday.

The committee would like to thank Constance Ard for her work in researching the consolidation of duties for AALLERT, Minority Scholarship Committee and this committee.

Respectfully submitted,

Judith Gibbons

Chair
