

**Report #RT-10**  
**Kentucky Library Association**  
**Support Staff Round Table**  
**October 1, 2008**  
**(Downtown Marriott, Louisville, KY)**

This year I have met with a couple of staff at UK. We discussed ways to increase awareness and involvement in the Support Staff Roundtable. We discussed problems with meetings and tossed out possible alternatives to meeting face-to-face. We tossed out things like blogs, wikis, SecondLife, etc.

We decided to start with a blog. We would advertise via KLA List and mailings. (Maybe we could benefit from the committee currently investigating meeting alternatives.)

I am also very pleased to announce that Cheri Daniels, InterLibrary Loan staff at the William T. Young Library at UK will be our new chair. I am looking forward to working with her in the coming year.

Respectfully submitted

Terri Brown, Chair
